The SGAIC course starts in October 2024 and finishes in April 2025,

The course will be run over seven days including two assessment days and price for the full course including assessments is £450. In the event that a candidate wishes to be assessed for both single and double-handed qualifications there is a £100 surcharge. Places for the course are limited therefore in order to reserve a place a refundable deposit of £50 is required along with your completed application form.

**Remaining balance must be paid before the end of September 2024.**

Please note that participation on the course/assessments is subject to SGAIC Committee approval. We reserve the right to refuse participation to any applicant or participant at any time and at our sole and absolute discretion, without any liability to SGAIC, for any reason.

Participation in the course does not guarantee qualification. Candidates must pass all assessments to receive the SGAIC certificate. Candidates must pass a written assessment and verbal presentation skills assessment to go forward to the final practical assessment. If for any reason a candidate does not pass all three assessments, they can register for a resit no later than the following year upon payment of a fee of £150.

Where a candidate wishes to take an assessment without attending the full course (e.g. if they already have an equivalent qualification) then the assessment fee is £150.

**PLEASE print out this document and complete the information below and return to address above to reserve your place – Places are limited so candidates are encouraged to apply early.**

Please reserve me a place for the following courses:

| Course   | Please Tick |
|--|-------------|
| SGAIC Single Handed Instructor – Trout (£450)  |             |
